
FIFTY-SIXTH

ANNUAL CONVOCATION

PART I

Northern Alberta Jubilee Auditorium

MAY, 1966

THE PRESENTATION

The Dean of the Faculty of Science asks the candidates for degrees to rise, and presents them with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

THE PLEDGE

The President, then rising, addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges and liberties of this your University? Do you pledge your honor that when you become a member of Convocation you will vote only for those whom you surely know or firmly believe to be fit and proper persons to share in the government of this University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honor of your University, the encouragement of learning and the good of your country?"

Each candidate replies: "These things I pledge myself to do."

THE ADMISSION

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province, and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights and privileges pertaining to such degrees, and I charge you to use them for the glory of God and the honor of your country."

Candidates then sit down.

GOLDEN JUBILEE OF THE FACULTY OF BUSINESS ADMINISTRATION AND COMMERCE

The year 1966 has been designated as the Golden Jubilee Anniversary for the Faculty of Business Administration and Commerce. Although the first session of the University began in 1908, business education at the University of Alberta had its formal beginning in 1915-16 with the establishment of a School of Accountancy within the Faculty of Arts and Science. Actually, instruction in evening classes in courses leading to the Diploma in Accounting was offered in 1914-15 by the Department of Accountancy.

The first Bachelor of Commerce degree program was introduced in 1921-22 within the Faculty of Arts and Science. At that time admission to the University followed junior matriculation standing. The School of Commerce was formed in 1928. Dr. Hubert Harries was appointed Director of the School in 1959. A revised curriculum became effective September 1st, 1960, and on that date the School of Commerce was given Faculty status with Dr. Harries becoming Dean. In 1964 the Faculty name was changed and the first graduate students in the Master of Business Administration program were enrolled.

Some of the distinguished people who have served the Faculty long and well include the late Cecil E. Race, first Registrar of the University; Mr. Justice L. Y. Cairns, former Chancellor; Dr. Andrew Stewart, former President of the University; Dr. F. G. Winspear; J. D. Campbell; B. A. Lindberg; and the late R. W. Hamilton and C. L. King.
